## Get started

0 steps left 0 min

100%

- ✔ Learn about Watson Assistant  
5 min
- ✔ Explore your learning center  
Explore at your own pace, and mark as complete when you're ready
- ✔ Explore Watson Assistant features on interactive demo site  
2 min

## Create a conversation

2 steps left 10 min

# Integrations

Add different channels and extensions to easily configure and deploy your assistant.

## Essential channels

Add our most utilized methods of deploying assistants.

These channels support additional customization and advanced integrations.

### Web chat

Built by IBM - Lite

### Phone

Built by IBM - Plus

## Actions

Created by you

Set by assistant

## Variables

## Saved responses

Actions sit at the core of the new Watson Assistant build process. Think of them as problems or tasks that you resolve for them. They include the complete interaction between a customer and your assistant for a specific intent.
